If a three course wedding breakfast is not for you, why not have a sit down, hot or cold buffet? The tables will be laid in exactly the same way but this gives your guests more variety, what's more this is in line with the Basic Wedding Breakfast Package (available in the Surrey, The Eden and The Kent and Surrey Package), which means there would be no need to add any extra on top, just tell us you wish to opt for a Hot or Cold Buffet, instead of the three course hot meal, If you are having an additional buffet in the evening the Basic Buffet has been included into all four packages, if you would like to upgrade to the Standard or Luxury Buffet please add the extra charge.
